

We are excited to share new screenprints from one of our long time favourite Kindergallery artist's, Lorena Siminovich.  
The "Animal Alphabet" A to Z Print is endearing with its mix of fauna in appealing colours. This print is available in 3 colours (Original, Pink and Blue) at [www.kindergallery.com](http://www.kindergallery.com).

For further information about Lorena's collection, or any of our other artists, contact Angela on (02) 9818 4680 or email [info@kindergallery.com](mailto:info@kindergallery.com) or visit [www.kindergallery.com](http://www.kindergallery.com). High resolution images are available upon request.
